

Need Computer Help?

CompHelp helps Chemistry faculty, staff and students with computer support and troubleshooting.

We can help you with:

- Any computer physically connected to the Chemistry Building and/or the Chemistry Department Network
- Research group websites
- Hardware problems
- Initial troubleshooting with programs or other applications
- Email client configuration and spam filtering.

Contact Us

- Email comp-help@chem.wisc.edu
- Call the Computer Center at 2-0536
- Stop by room 9311 in person

Chemistry Computer Center
Department of Chemistry
Room 9311
1101 University Avenue
Madison, WI 53706
